

La Turna

BARBERA D'ASTI DOCG

The word Turna in Piedmontese indicates a portion of vineyard. La Turna is a vintage Barbera d'Asti DOCG and one of the best expressions of this vine in the Asti area. We can now consider it part of the identity of the place, in a daily relationship between good food and good wine.

For a long time Barbera d'Asti was underestimated, as if being an everyday wine in the Piedmontese tradition made it a less noble product. This is why we are participating in its revaluation with our commitment. Bringing our Barbera d'Asti DOCG La Turna to the table means choosing a great quality wine, every day.
